08/27/2016 Coinjock Cruise

09/08/2016 Member Meeting

Our cruise to Coinjock is scheduled for 27 August. It's really simple; go down the Pasquotank and continue to marker 173. *Those who skip 173 and cut the corner into the North River may find that their journey is delayed.* Turn left and proceed up the North River, go under the bridge and dock at the Coinjock Marina on your starboard side. Much of the North River trip is scenic and twisty. Once there you will find, fuel, restrooms, showers, marine supplies, a bar and restaurant. There is entertainment scheduled for our night there and a good time will be had by all. If unable to come by sea, drivers are also welcome. There are some rooms available at Coinjock. Please RSVP Karen Askew at 331-3355 by 19 August.

The next member meeting is scheduled for September eighth. Location is not for sure, but the Villa is the likely venue.

We had a great Ice Cream Social in July with many varieties of home made and store bought ice cream. It was a normal hot day so it was important to consume as much ice cream as possible as fast as possible.
