The Elizabeth city Potato Festival is great fun for all that participate. Some club members provide boat rides for attendees. For more info on that contact Greg Duncan. gregjanetcamden@yahoo.com

The PRYC Cruise to Manteo will begin Friday 05/27/2016 with a trip to Broad Creek on the North river. Broad Creek is a great anchorage for the night. One can actually see the stars from there. Those that cannot make that part of the trip will go directly to Manteo on Friday or Saturday. Talk to your shipmates to coordinate a convoy for when you plan to go. Six slips have been reserved for the club for Saturday and Sunday. Contact Jim Watson the cruise director to save one for your yacht. Members who can't take a boat should go anyway and join the fun.

For marina information, pump out instruction etc. contact jwatson@inteliport.com
