05/07/2016 Derby Day

The April membership meeting will feature Jim Watson speaking on marina and water safety issues including enhancements to water egress at the Yacht Club.

Start getting ready for Derby Day in May. Dust off your hats and prepare to dress to impress the adoring crowd.

If you know of something that needs repair at the club or ideas for improvements please contact Rear Commodore Jim Watson. 252-330-2273 jwatson@inteliport.com or reply to pryc@mediacombb.net

The first annual Sock Burning Party was great fun and well attended. Weather was typical March lion but the stormy weather only added to the fun as everyone crowded into the Club house. Our old socks provided a roaring fire with an interesting odor. Very unusual to see sailors dancing around a roaring sock fire but dance they did. It was a large toime on the sound side.

Work Party- April 16th. Please attend to help with the spring clean up and repair. Bring hand tools such as hammer, rake etc. The after work party party (with food) is for all members even if you cannot do the manual labor. Coast Guard Aux will provide free courtesy boat inspections Everyone should attend.
